# CORVIN-PLAZA SHOPPING CENTER BUDAPEST (HUNGARY)

**The Corvin-Plaza shopping center project was developed on the waterfront in Budapest in 2010.**

Ghirardi supplied material for the indoor flooring, with about 6,000 m<sup>2</sup> of polished Botticino Classico, 3 cm thick, for the large central areas, and 600 m<sup>2</sup> of polished Brazilian Cosmic Black granite for the perimeter strips, also 3 cm thick. All this happened in just 4 months, combining speed and quality of workmanship.

Location  
**Budapest**  
Hungary

Architectural design  
**Measure Architecture Studio**

Stone contractor  
**Marmi Ghirardi, Srl**  
Brescia, Italy
